

June Newsletter 2016

Blue Stars leaving

We have started taking the Blue Stars on their transition visits to schools ready for starting in September and we have had a number of teachers visit us to meet the children. We will soon start writing children's transition documents to pass on to their new teachers which will need signing. If you know when your child's last day with us will be please let us know so we can make sure everything is ready and we can make cakes for their leaving tea.

Facebook / Messenger

Please ring us if your child is poorly or have a question which you would like a quick response to rather than messaging us via Facebook. We do not have constant access to Facebook during the working day and so it tends to be after working hours when we check for messages and respond to questions.

Fathers Day

Thank you to all our Dads that came to our Fathers Day breakfast on Thursday 16th June, the children had a great time cooking bacon and egg sandwiches with you and they all listened to the safety instructions they were given. We have some lovely art work which some of the Dad's made! During the morning we were sharing information about FRED- fathers read every day, we have some handouts available and if anyone would like to take part in the reading challenge we can give you the reading log. If anyone would like more information please see a member of staff. We will share more information on our Facebook page.

Sun hats and clothing

Please remember to label all children's clothing and sun hats, this makes our job easier when we are searching for lost items.

2, 3 & 4 year Funding

The new funded term starts in September, all 3 and 4 year old's the term after their birthday are eligible for 15 hours free nursery education and the funding for 2 year old's has eligibility criteria to meet. More information is available on our website or please see a member of staff for more information.
